11. [ ] Met with Mr. Charles Johnson, Staff Director, House Post Office and Civil Service Committee, and gave him a sectional analysis of S. 1035 for his use in discussing the bill. Mr. Johnson indicated that although the bill had been assigned to Subcommittee, a routine request had been made of the Bureau of Budget for comments. No further action is contemplated at the present time, nor has any interest in the measure appeared so far. In conversation, it was noted that until such time as the report is received from Bureau of Budget, the absence of the report provides a normal basis or explanation for non action in the Committee.
